9/2/15

To Whom It May Concern:

The Bun Baker and Bun Baker XL have provided documentation that they meet both the federal EPA and Washington State definitions of a wood-fired cook stove. As such, they are exempt from emission testing and legal for sale in Washington State.

If you have further questions, please contact me. Thank you for caring for the air.

Sincerely,

Rod Tinnemore
Wood Stove Coordinator
Washington State Department of Ecology
Air Quality Program
