Top Loading Design

Fully fill your firebox without the mess.

DS FireCore Technology

This non-catalytic combustion system allows for less maintenance, 12+ hour burns times, and low emissions.

Wood Grate & Ash Pan

Comes standard on the Homeland. Catch and transport ashes with ease.

Air Control

Your fire is easy to adjust by using the front-mounted simple slide control.

African Mahogany Handles

Enhances the Homeland's appearance while providing a cool-to-touch grip.

Optional Grilling Grate

Enjoy grilling your favorite foods without leaving the comfort of home.
