LOUVERED DIRECT-VENT

TAHOE

LOUVERED FIREPLACE COLLECTION

Tahoe fireplaces are designed to do more than warm a room—they transform it.

With captivating flames, beautiful hand-painted logs, and a range of liners and configurations, each model makes it easy to create a fireplace that feels tailored to your home and style. Whether you want a timeless focal point, a sleek modern statement, or a dramatic multi-sided centerpiece, the Tahoe collection offers sizes and designs to fit your space beautifully. Thoughtful features like expansive viewing areas, clean-face installation, and modern gas convenience give you the look you love with the performance and ease you want. The result is lasting comfort, elevated design, and a fireplace you'll enjoy every day.

TAHOE DELUXE

DELUXE LOUVERED TRADITIONAL MODELS

The Tahoe family of Deluxe fireplaces, available in 32", 36", 42", and 48" models, features a contour-style burner that produces a realistic, flickering flame. This burner is the perfect compliment to the hand-painted, multi-piece ceramic log set.

Choose from our liner and ignition options to truly personalize your Tahoe unit.

PREMIUM LOUVERED TRADITIONAL MODELS

Tahoe Premium fireplaces, available in 36", 42", and 48" models, utilize a Slope-Glaze burner to produce a rich flame pattern.

The taller, deeper log stack compliments the size of the fireplace, and our liner, ignition and remote control options allow you to create the viewing experience you want, without the hassle of a wood-burning unit.
