

THE RAZEN

A FRESH DIRECTION IN WOOD COOKING

CONTEMPORARY WOOD COOKSTOVE | HANDCRAFTED IN ENGLAND

The Razen Wood Cookstove By Firebelly

Cookstoves Canada is excited to introduce the Razen, handmade in England by Firebelly Stoves Limited. We searched globally for a fresh cookstove design. The Razen is the most contemporary wood cookstove in the world. Fits seamlessly with modern fireplaces and provides wood cooking without any loss to contemporary style. This holds great appeal for architects, interior designers and consumers who are choosing modern design in record numbers.
